Welcome all to the new BrisbaneScan it has been to long since we went offline to when we came back. here you will find all the information that you need from Police through to Trunking for the South East Queensland Area, as well as downloads, and many other features

Brisbane Scan originally named Brisbane North Scan was based at enoggera and has seen a wide varity of hosts from free hosting from tripod at the very beginning to our current host Ventra IP and a new home on the South-Side of brisbane, originally starting off with a Uniden 120XLT to now a large amount of Two-Way Radios and Scanner Receivers.

Brisbane Scan has and will remain closely tied with aussiescanners providing Information to the Australian Community.
